

Job Application Information

GENERAL HINTS:

- Use Black pen.
- Print! - Do not write in cursive except for your signature at the end!
- Answer all questions. If it does not apply to you, write N/A which stands for Not Applicable.
- Carefully read every instruction BEFORE you start filling out the application to avoid mistakes.
- Keep it neat. If you make a mistake and you cannot get a new application, draw one line through the mistake and rewrite the correct information above or to the side.
- Keep all information positive.

APPLICANT INFORMATION

- Make sure to put your complete Last and First names and middle initial.
- Make sure to use current date in the following format: Month/Day/Year
- Make sure to put your current mailing address. -Do not abbreviate the city. Use the common two letter state code for the state in all caps, without punctuation. For example: UT
- Make sure to put your area code before your phone number. Use the following format: (801) 402-6000
- Leave the Social Security Number blank. I do not want others in the school to know your Social Security Number. You can put 123-45-6789, if you would like to.
- You are applying for a position as a **Marine Biologist**.
- You are **available** for work "Immediately."
- For the **desired salary**, put "Negotiable." You don't want to limit yourself or give a number that is too low.
- If you are a citizen of the United States, answer yes. If not, answer yes to the question that asks if you are authorized to work in the U.S.
- You have never worked for this company before.
- Were you ever convicted of a felony? No
